Dear Mr. McCarthy:

I was unfortunately delayed in returning from my district and missed voting on Assembly Bill 275 when it was considered by the Assembly Labor Committee on Wednesday, March 21, 1973. Had I been present, I would have voted "aye".

Sincerely,

Retirement Committee

May 21, 1973

I would like the following explanation of my committee vote, in Retirement Committee on March 21, 1973, to be printed with the Roll Call Votes:

I would like to explain that my "No" vote on AB 357 in Retirement Committee reflected a serious philosophical question relating to precedent setting. I can foresee that similar legislation might easily be introduced to benefit former members of all public systems, to the fiscal detriment of the state.

Bob Wilson

KENNETH L. MADDY
ASSEMBLYMAN, THIRTY-SECOND DISTRICT

April 11, 1973

I would like the following explanation of my committee vote in Commerce and Public Utilities Committee on April 9, 1973, to be printed with the Roll Call Votes:

I abstained from voting on A.B. 469 because said legislation attempts to define as a crime certain activity at boxing contests or matches. It is my understanding that legislation creating new crimes has been in the past sent to the Criminal Justice Committee. I support that policy and believe A.B. 469 was improperly before the C&PU Committee.

Speaker Bob Moretti

Dear Bob:

An unfortunate error occurred in recording the vote on AB 353 (Miller) in my Committee on June 12, 1973. Frank Murphy was recorded as voting "aye", whereas he should have been recorded as voting "no".

The correct roll call is as follows:

"AYES"	"NOES"
Bagley	Bond
Briggs	Cline
Cory	Murphy
Gonzales	
B. Greene	
McCarthy	
Papan	
Quimby	
Kapiloff	

Please accept my apologies for this inadvertent error.

Sincerely,

JOE A. GONSALVES, Chairman

MEMBER OF ASSEMBLY, SEVENTH DISTRICT
MARIN—SONOMA COUNTIES
CHAIRMAN
COMMITTEE ON WELFARE

August 14, 1974

Mr. Foran:

Though I must leave the Committee before various preliminary votes, I am casting an "aye" vote on AB 3370. As I expressed in Committee, if we are going to solve this serious labor relations problem, the only way to do this is to keep this bill alive and moving as there is no other bill before the Legislature.

As I stated, I would vote for amendments to make the bill "signable"--as to become law, we must have both a bill that is passable and signable. Only by keeping the bill alive, is it possible to have a bill evolve that can become law.

Sincerely,

Will T. Bagley

WILLIAM T. BAGLEY
